TRAINING COURSES

We cannot over-emphasise the value of good training and we now offer a range of courses for **t28** users. The courses are well balanced half-day modules covering basic, intermediate and advanced operation of the programme. As an added incentive we are also offering free training credits with all new Roeville packages and annual support contracts - to keep users current with all the latest developments. Courses are run in Doncaster and include light refreshments.

*PLEASE NOTE

- i. The Entry Level System is restricted to a single user. The Intermediate System is restricted to a maximum of three concurrent user licenses.
- ii. All prices are subject to VAT at the current rate.
- iii. Each Training Credit can be redeemed against one person/day of training at our offices.
